The wraparound learning platform

Slough-specific Inclusion Resources

We hope you enjoy the inclusion course. We are pleased to offer a range of resources for you to look at provision locally.

First of all some documents which might be of use:

- HAF Support Pack – useful for any wraparound provider
- HAF Guidance on how to create sensory areas – useful for all wraparound providers
- Sample template for a safety and engagement plan
- This form is useful to work through with a young person accessing your provision
- This document has some top tips on how to begin to engage with an autistic child

Also, thank you to Together as One for sharing some research with us:

'We sat down with a group of young people with SEND to get their views on youth activities and how they can be improved to be more inclusive.'

The feedback is below:

Some other local documents include:

- Slough SEND and Inclusion Strategy – have a look at the Voice of the Child section
- Make sure you keep in touch with the Families Information Service – they have details of organisations who can support you with the inclusion agenda.

Meanwhile have a look at:

- Slough Children First
- Slough's Special Educational Needs and Disabilities Information Advice and Support Service (SENDIASS)
