The wraparound learning platform

Slough-specific Safeguarding Resources

The following resources can be used alongside each Module in the Safeguarding course.

Module 1

In Module 1 the course talks about local processes and procedures. You will have seen the reference to the Slough Safeguarding Partnership Board website there. The landing page https://www.sloughsafeguardingpartnership.org.uk/ has links to both the adults and children's partnership website. Spend a little time exploring these.

Module 2

This Module talks about safeguarding in the wraparound sector. There is some specific information for out of school providers on the Slough Safeguarding Partnership. This also signposts to further training.

Module 3

- You can find a list of partners who work together at: https://www.sloughchildrenfirst.co.uk/what-we-do/safeguarding-children/
- Make sure you are aware of your local Early Help Strategy
- The Slough Safeguarding Partnership website contains some useful reflections about effective communication alongside information sharing based on learning from case reviews.
- As we think of older children, the risks of exploitation increase. The Slough Safeguarding Partnership has some useful guidance and updates.

Module 4

There are no specific resources for this module.

Module 5

If an allegation is made against a staff member, the guidance here will be helpful to settings based in Slough.

Module 6

Sadly the case review here gives us an example of when the child's voice was not fully heard.
